

CHASE DEARING | GRAPHIC DESIGNER

LOGO DESIGN //

I spend a lot of my free time designing, whether it's a fun illustration or deep in the software fleshing out every detail in that project.

I have a passion to create.

FREELANCE //

I've taken up a few freelance opportunities since graduating college. The opportunities have given me a ton of experience on how to please clients and manage my time efficiently.

AWARDS //

I am extremely grateful that two of my projects from college have won awards since graduating.

Zumiez - Seasonal Retail // GDUSA Award 2019

Uncle Ramen - Website // Bronze ADDY Award 2019

PROJECTS //

A few highlights from my college days.
